## WER3000LSI08-18-A

| Order no.                         | ► Technical Data                                          |
|-----------------------------------|-----------------------------------------------------------|
|                                   | <b>WER3000LSI08-18-A</b>                                  |
| Series                            | WER3000                                                   |
| Transmission mode                 | electrical                                                |
| Compatible with installation size | WPR5100 / WPR5125 / WPR5160 / WPR5200 / WWR1160 / WWR1200 |
| Compatible with                   | Loose part                                                |
| No. of contacts                   | 8+2                                                       |
| Connection type                   | contactless                                               |
| Nominal current [A]               | 0.2                                                       |
| Supply voltage [V]                | 24                                                        |
| Fixing thread                     | M12                                                       |
| Connection type                   | Female connector                                          |
| Connection type                   | Round plug                                                |
| Connection alignment              | axial                                                     |
| Certifications                    | LABS / REACH / RoHS                                       |
| Protection to IEC 60529           | IP67                                                      |
| Weight [kg]                       | 0.24                                                      |
